Hollywood Fringe Festival Celebrates its 10th Anniversary

L.A.'s largest celebration of the performing arts continues to grow with nearly 400 shows registered and almost 2,000 performances throughout the festival.

The Hollywood Fringe Festival celebrates its amazing 10th year, having doubled its size in only a decade to become the largest performing arts festival in the United States.

The 2019 festival, taking place June 13 – 30, with previews June 6 – June 11, includes diverse offerings from a wide range of performing arts genres. The majority of shows are either ensemble theatre, solo performance, or comedy. However, attendees will also find cabaret, musical theatre, dance, and immersive theatre. Participation in the Hollywood Fringe is completely open and uncensored. This free-for-all approach underlines the festival's mission to be a platform for artists without the barrier of a curative body. By opening the gates to anyone with a vision, the festival is able to exhibit the most diverse and cutting-edge points-of-view the world has to offer. Additionally, by creating an environment where artists must self produce their work, the Fringe motivates its participants to cultivate a spirit of entrepreneurialism in the arts. Tickets are on sale now. Visit www.hollywoodfringe.org for more information.
